### Summary

I graduated Higher Secondary Certificate program in 2023 at a top school in Bangladesh called Tamirul Millat. I studied science, especially computers, and how the Machine Learning algorithm can be learned. Now (2024) I'm focusing on ML algorithm development. I am always open to good people, good ideas, and good projects.

### Education

- **Tamirul Millat Kamil Madrasha – HSC/Alim (Science)** - Session: 2021 – 2022
- **Konabakhail Fazil Madrasha – SSC/Dakhil (Science)** - Session: 2019 – 2020

### Skills

- **Programming Language: C, and Python**
- **Library: NumPy, Pandas, and Scikit-Learn.**
- **Tools: PostgreSQL, MongoDB, Git, and GitHub**

### Training & Courses

- **Programming For Everybody (Getting Started with Python) – Coursera**
- **Complete Machine Learning & Data Science Bootcamp 2022 – Udemy**

### Language

- **English (Intermediate), Bangla (Native), Hindi (Intermediate)**

### Reference

- **Md. Shabbir Jahan (ICT lecturer)**
